SPECIAL TO THE EVENING WORLD.
SARATOGA RACE TRACK, NEW YORK, July 31.—The weather was cloudy and very warm to-day, but a pleasant breeze made it comfortable at the track and there was a large attendance.

The track was in good order and the programme promised fine sport, but an unusual number of scratched horses, no less than seven being taken out of the first race alone, destroyed much of the interest and made light betting.

Many people desired to see the Chicago Derby winner, Uncle Bob, go to the post, but he was scratched out of both the races in which he was entered.

FIRST RACE.

Starter, Weights, Jockeys, Straight, Place, 1st Purse, \$100; 2nd, \$50; 3rd, \$25; 4th, \$10; 5th, \$5; 6th, \$3; 7th, \$2; 8th, \$1. Total, \$200. McDonald, 20-1 2-1

The race—All interest in this race was killed by the scratchings, but the public seemed indifferent as to the result.

Lavinia Belle and Longshore ran like a team to the half, where Belle got a move on her. Then she was held up by a strong pull, four lengths from Longshore. Gertie G. was five lengths away. Time—1.47½.

Purse—Lavinia Belle, \$25; 2nd, \$10; Mutuals paid straight, \$2.50.

SECOND RACE.

The Saratoga Stakes, for two-year-olds, six furlongs.

Starter, Weights, Jockeys, Straight, Place, 1st Purse, \$100; 2nd, \$50; 3rd, \$25; 4th, \$10; 5th, \$5; 6th, \$3; 7th, \$2; 8th, \$1. Total, \$200. McDonald, 20-1 2-1

The race—the race was not large enough to create much enthusiasm over the Saratoga Stakes.

They were sent away to a good start with Monteray in the lead. Berger took Blacklot to the front and out for the finish at a lively pace. Lavinia Belle and Longshore held him, however, at the head of the stretch, and after a rather tame finish between the latter two, Berger won by a scant length. The total purse was \$1,450,000, and Mutuals paid straight, \$2.50.

THIRD RACE.

For three-year-olds; mile and a sixteenth.

Starter, Weights, Jockeys, Straight, Place, 1st Purse, \$100; 2nd, \$50; 3rd, \$25; 4th, \$10; 5th, \$5; 6th, \$3; 7th, \$2; 8th, \$1. Total, \$200.

The race—Declared several all of the named starters out with the exception of Worth.

Conroe took the lead at the drop of the race, and making all the running won in an ordinary gallop three lengths from Worth.

Total Purse, \$100; Worth, \$15. Mutuals paid straight, \$2.50.

FOURTH RACE.

The Adirondack Handicap; mile and a sixteenth.

Starter, Weights, Jockeys, Straight, Place, 1st Purse, \$100; 2nd, \$50; 3rd, \$25; 4th, \$10; 5th, \$5; 6th, \$3; 7th, \$2; 8th, \$1. Total, \$200.

The race—the talent could see nothing but Ruperts and Miss Bell for the Adirondack Handicap, and being the first race of the day, had the best chance to beat out the declared according.

The favorite, Imperia, was first away, but before reaching the quarter she took the 20 lengths from the front and out for the killing race that she was. It was Miss Bell and Ruperts, who followed closely off their feet. At the head of the stretch Imperia came from the rear and out for the finish, but the leaders won handily, two lengths from Drizzles, who was a head before Clio, and a head before the favorite Ruperts. Time—1.47½.

Purse—Ruperts, \$25; Drizzles, \$10; Miss Bell, \$10; Clio, \$5; Drizzles, \$5.

Mutuals paid straight, \$2.50.

FIFTH RACE.

The race—Again the talent and backers got a black eye. With Raymond and Australis equal favorites and Thay Stockton a second, the race was won in a couple of lengths and a half. Australis and Drizzles made a surprise effort at the finish, but Drizzles was a head, a length ahead. Time—1.47½.

Purse—Raymond, \$25; Australis, \$25; Drizzles, \$25. Mutuals paid straight, \$2.50.

SIXTH RACE.

The race—Drizzles I was a big favorite among all classes, and he did to make a hard run for it.

Drizzles was the first to show with Bradford and his backers were well into the stakes, where he was a favorite with the five or six of us and, after getting a favorite in front, he became half a favorite. Conroe was third, a
